

REMARKS/ARGUMENTS

Claims 13-15, 17, 20 and 40-44 and 47-58 remain in this application.

The Examiner provisionally rejects the pending claims on the grounds of non-statutory obviousness-type double patenting over claims 13-20 of copending application 10/734,337 ("337 Application"). Applicants submit herewith a terminal disclaimer for such copending application. For this reason, Applicants request that the Examiner reconsider and withdraw his obviousness-type double patenting of this application in view of the '337 Application.

Applicants submit that the instant application is now in condition for allowance. In the event that minor amendments will further prosecution, Applicants request that the Examiner contact the undersigned representative.

Respectfully submitted,

By: /David R. Crichton/
